In the Columbian Year 2019/2020 I performed the following duties:

2. I chaired the Resolutions Committee meetings and did the job of preparing all the draft resolutions for the State Convention;
3. I cooperated with the councils who drafted resolutions, getting them ready for the Convention;
4. As the Regional Director No.5 I visited the councils in the region, helping them in all their needs;
5. I was helping DDs in my Region to fulfill their duties in leading the councils in their charitable works.
